

DIAMOND – Our Newest Unit! The Diamond package is a portable scanner with full color display. Your leads are stored on the unit and are also uploaded real-time to a leads website that you or your associates can access from any internet connected PC. Leads can be reviewed and qualified with the easy to use touch screen display on the unit. This unit is battery powered and does not require electricity.

WIRELESS BLUETOOTH PRINTER – You can now have the best of both worlds! You can have the portability of the wireless scanner w/ the ability to write notes on a paper printout. You can rent a portable, battery operated printer that will connect via Bluetooth to one or multiple Diamond units. You can walk around your booth, while still having the benefit of a printer! *BLUETOOTH PRINTERS ARE ONLY COMPATIBLE WITH DIAMOND UNITS.*

PLATINUM™- This package comes with a Laser Scanner, connected to a compact printer with an integrated USB writer. Since the leads write directly to a USB Drive inside your printer there is no need to download after the show. Simply return your unit and walk away with a printout in one hand and USB in the other. Each unit comes with 20 standard qualifiers listed below. You get the security of a printout along with a USB and no wait! **This unit requires electricity**

BRONZE™- This unit scans the badge and provides a printout of all leads. This unit does not provide a USB Memory Drive. **This unit requires electricity.**

FOLLOW-UP QUALIFIERS-Each unit comes complete with 20 standard follow-up qualifiers. The Standard Action Codes included are:

TERMS and CONDITIONS

Customer understands that the rental and use of Lead Retrieval Units and Software grants only a license to use it for the duration of event, and that no equity or ownership is imparted by this rental lease. It is understood that each Lead Retrieval Unit (except battery operated units) requires electrical service in the customer's booth. Customer further understands that he/she is responsible for the proper use and safe guarding of any rental equipment while it is in customer's possession and exhibitor will be liable for any loss or damage to the rental equipment, normal wear and tear excepted, and that damaged rental equipment or rented equipment not returned to the Lead Retrieval Service Desk at the end of event will be billed to it in the amount of \$2,495 for each Platinum Trakker™, Mi™, or Bronze Trakker™ and \$1495.00 for each Silver Trakker™. **Customer agrees to return the unit to EPIC's service desk no later than one hour after exhibit hall close.** Equipment left anywhere else is the sole responsibility of the customer. Event Planning International Corporation (EPIC), may at its option, recover abandoned equipment not returned within one hour of show close and, if so, customer agrees to pay a \$100.00 abandonment fee. In no way does this absolve customer from its responsibility of the timely return of equipment. Customers using Pick-up service must remain in the booth until pickup occurs which will be no later than one hour after show closes. There will be a cancellation charge of \$75.00. Orders cancelled within 30 days of event are non-refundable. In the event customer's Lead Retrieval Unit malfunctions, EPIC agrees to replace the equipment (if another unit is available or at EPIC's option may offer a refund not to exceed the rental cost of the unit) but that is the sole extent of its responsibility and liability to customer. Customer waives all claims for injuries or damage against INTERNATIONAL HOSPITALITY WEEK/QUESTEX and EPIC resulting from any cause in connection with its use of the Lead Retrieval Unit or any other rented equipment during the period of event and agrees to indemnify and hold harmless INTERNATIONAL HOSPITALITY WEEK/QUESTEX and EPIC for such injuries and damages.
