An Exhibitor Appointed Contractor is a company other than the "general or official" service provider on the show, or third party service provider designated by the show organizer in the exhibitor manual as the provider of a specific service and requires access to your booth during installation and dismantling. The Exhibitor Appointed Contractor may only provide services in the venue, which are not designated by the venue as "exclusive" to a venue provider, or by the show organizer in a contract as an exclusive service for the "official" or "general" service provider or other third party. If an Exhibitor Appointed Contractor attempts to provide services designated to another party as "exclusive" or is discovered soliciting on the show floor or otherwise does not comply with the rules, the company may be removed from the show floor, and the Exhibitor will not be able to use that company for the remainder of the event.

Due to the necessity of coordinating all activities during the move-in and for security purposes, Exhibitors who choose to use these contractors must complete this form, comply with all rules and regulations (listed below) and supply GES Exposition Services with all necessary information by the deadline date indicated above.

Tips to Exhibitor Appointed Contractors

- Order services required from GES and the Exhibit Hall in advance. Ordering labor or services onsite which contractors may not be prepared to provide immediately may delay the set-up of your booth or force your set-up into overtime.
- Take steps to protect your client's product in the booth by arranging for booth security and/or cages.
- Please stay out of adjacent booths during set-up. Exhibitor Appointed Contractors must stay within the confines of the booth.
- Label empty cartons and crates for storage as soon as they are ready. Holding back on "empties" only adds congestion to the aisles.
- Do not store empty cartons inside of empty crates. Cartons are returned from storage first so Exhibitors may begin packing their product.
- Keep "No Freight Aisles" clear at all times. If GES is required to rearrange any material situated in a clearly identified "No Freight Aisle," you or your client depending upon your billing arrangements with GES, will be charged a one hour minimum for forklift rental and labor.
- Turn in outbound freight bills to the service desk on a timely basis. Holding freight bills until late in the day or turning in large amounts of freight bills to the GES Servicecenter at one time may delay outbound truck scheduling and subsequently force your loading out into overtime.
