Payment Policy

Payment for Services — GES requires payment in full at the time services are ordered. Further, GES requires that you provide a credit card authorization with your initial order. For your convenience, we will use this authorization to charge your account for services, which may include labor, material handling, or any applicable fuel or energy surcharge.

Discount Prices — To qualify for discount pricing, orders must be received with payment on or before the discount price deadline(s).

Method of Payment — GES Exposition Services accepts MasterCard, Visa, American Express, check and bank wire transfer. Purchase orders are not considered payment. All payments must be made in U.S. funds drawn on a U.S. Bank. Exhibitors will be charged a \$50.00 fee for returned NSF checks.

Third Party Billing — Each exhibiting firm is ultimately responsible for all charges incurred on its behalf. GES Exposition Services reserves the right to institute collection action against the exhibitor if the authorized third party does not pay. See *Third Party Billing Request* form.

Tax Exempt — If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exemption Certificate for that state. Please send the above information to the GES office for this show. Taxes vary by location and will be added to your invoice, if you do not submit your tax exempt certificate prior to the deadline.

Adjustments and Cancellations — No adjustments to invoices will be made after the close of the show. Please refer to the individual forms for labor, etc. for cancellation fees. All orders cancelled by the Exhibitor or due to the cancellation of an event or their non-participation may be subject to cancellation fees equal to 50% - 100% of the total order, based upon the status of move-in, work performed and/or GES set-up costs or expenses. A minimum non-refundable deposit of \$25.00 will be applied towards the invoice, unless there is a cancellation of your order. Additionally, GES retains the right to implement/assess a fuel or energy surcharge on all services as necessary based upon market conditions.
